INTRO

The MarQ Communities has taken New Cairo by storm in the last few years by creating several ground breaking projects that cater to those who like to live out of the ordinary.

From The MarQ Gardens and The WaterMarQ to The MarQVille and The **WonderMarQ**, we have created communities that are exclusive, dreamy and dedicated to congenial living.

WONDER TO
NEW CAIRO

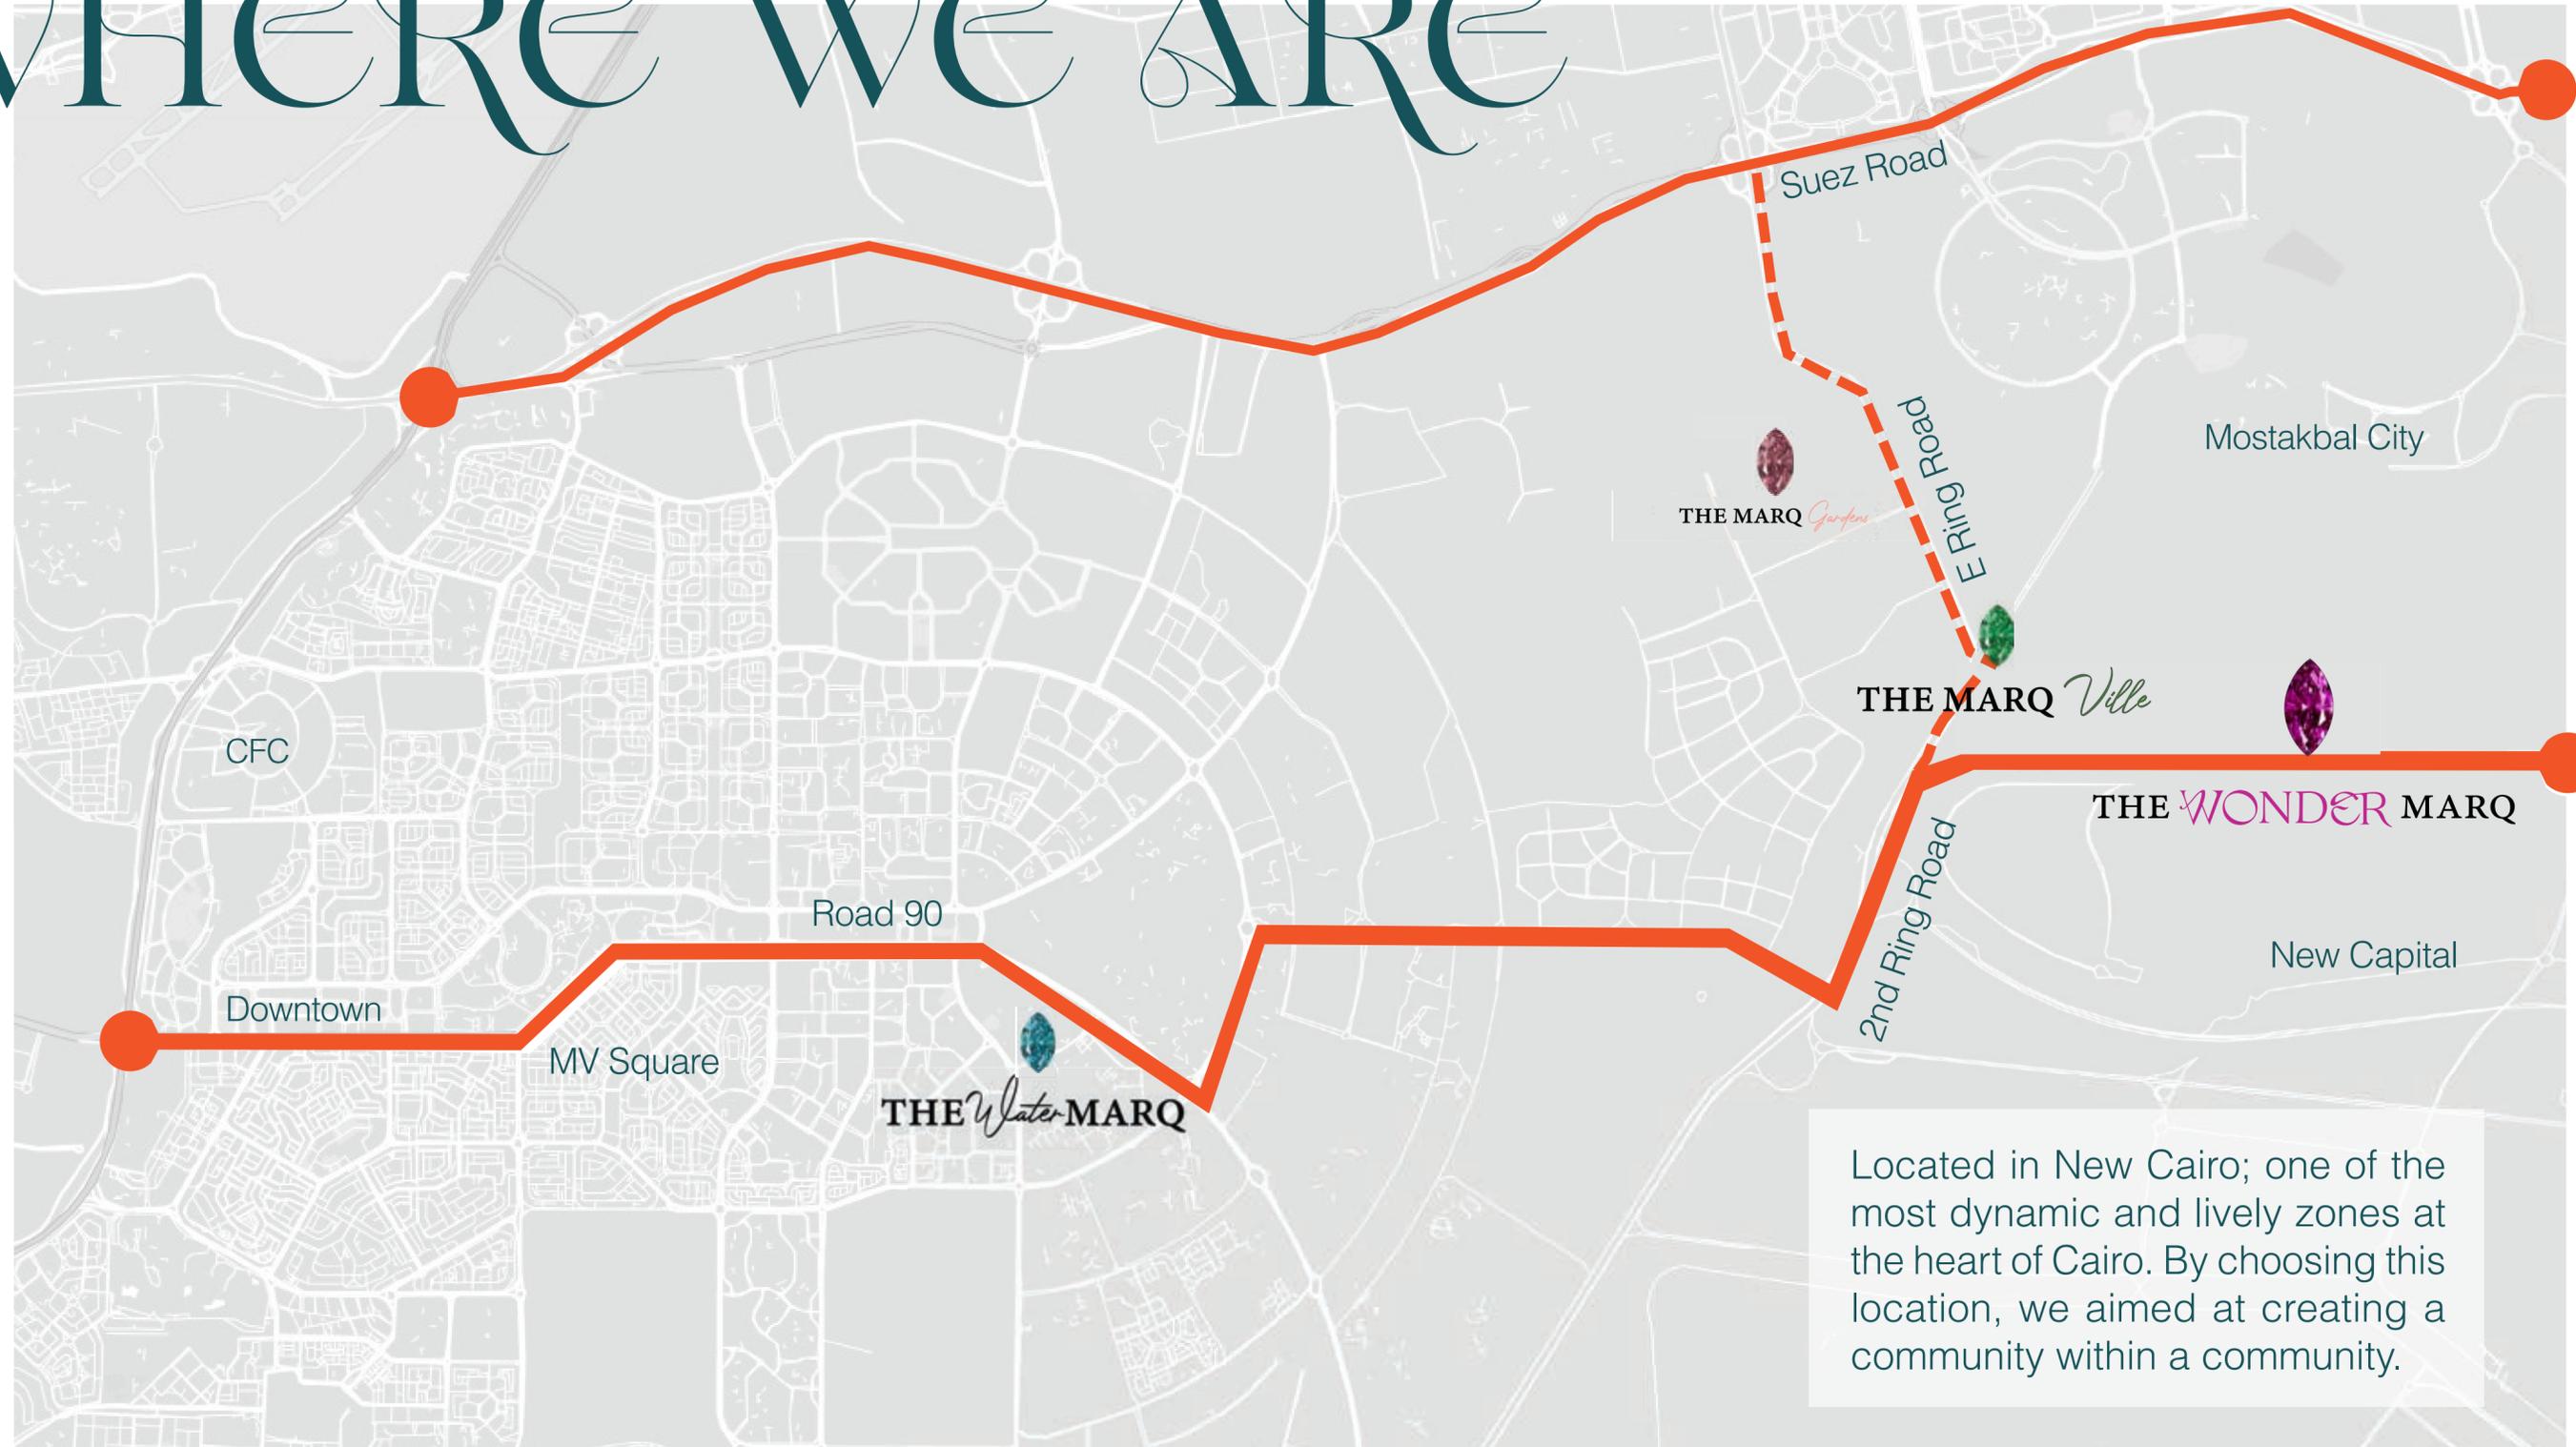

OUR STORY

The **WonderMarQ** is designed to be a city of festivities, wonders and delights where you get to experience a different and one of a kind lifestyle. Fascination is the key feeling you'll get when wandering around one of the most magical and aesthetic places.

WHERE WE ARE

OUR NEIGHBORHOOD

The residential neighborhood at The **WonderMarQ** is designed to be divided into different zones with unique architectural style and amenities. Several zones are designed to hold walking lanes instead of streets and therefore minimize pollution and the overcrowding of cars while allowing peaceful walks among the vast green areas.

WATER CANALS

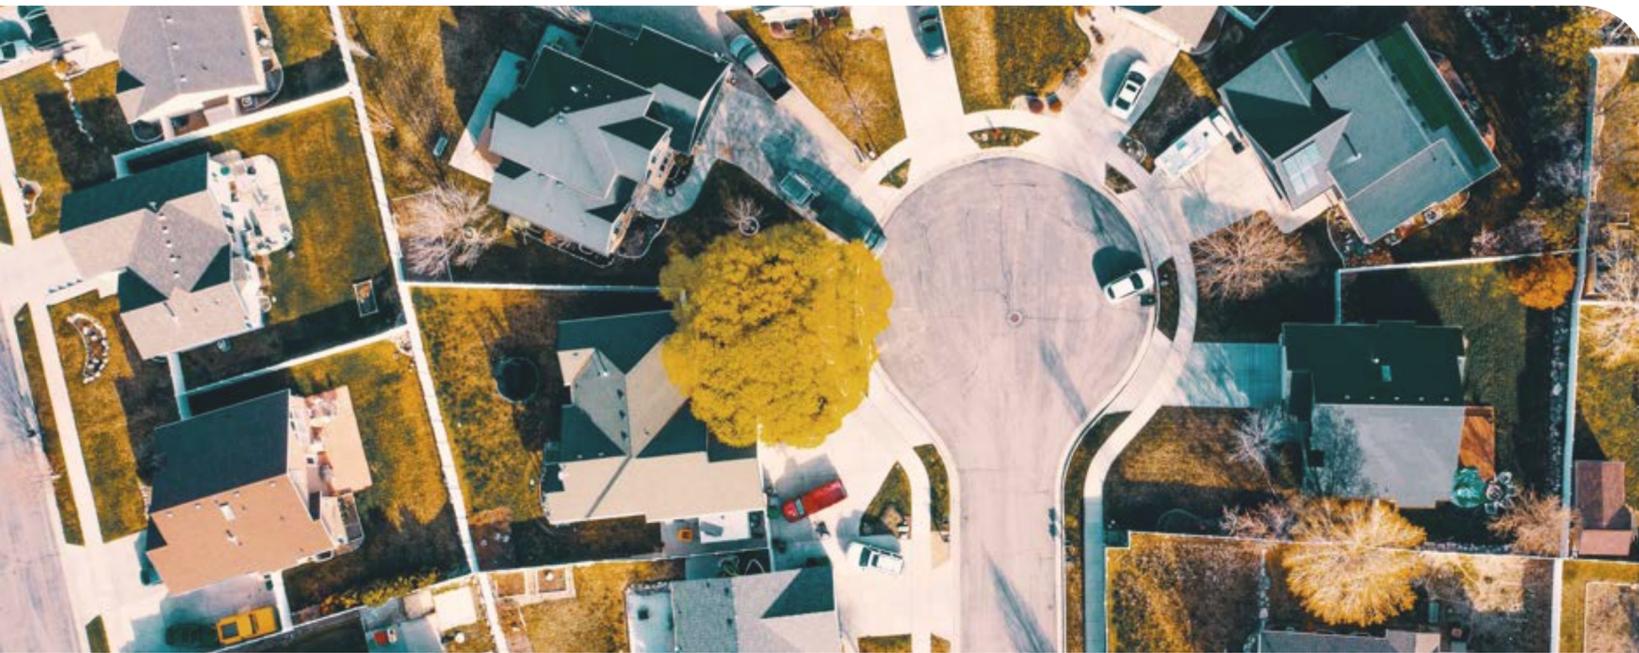

The MarQ Communities focuses on the natural assets of its communities and that's why in The **Wonder**MarQ, a great emphasis is put on the water features with several canals traversing through the project. The canals are designed to inspire the feelings of calmness and tranquility.

AMENITIES

DOWNTOWN

A comprehensive area designed to be the biggest Downtown encompassing a vast variety of activities and amenities.

The Downtown of The **WonderMarQ** holds a diversity of retail shops, a fully-equipped medical complex and 2 schools.

Co-working spaces with multipurpose uses are one of the many features of The Downtown as they are designed to accommodate many tenants.

WONDER eye

The Wonder Eye is the embellishment of The **WonderMarQ** and final piece of the puzzle that is connecting both the artistic and entertainment sides together. A Ferris wheel that will transcend your experience at The **WonderMarQ** and take it to the next level.
